

Section 9-1

Tools and Supplies for a Road Trip

I always found myself clamoring to get all the necessary items for an overnight trip in my Silver Shadow at the last minute. You don't necessarily need to carry along all of these things, just make sure one of the other cars in your caravan does. Electronic copies of this list are available the Sherbourne Mews website.

Supplies

2 Spark Plugs
One Long Spark Plug Wire
Spare Ignition Coil
Duct Tape
Electrical Tape
Points (non Opus)
